he hates poopgamer with a passion

 i don't trust him

 **stupid american** 05/21/2023 12:19 PM
you're wrong, hayden

one slip up and were fucked

as the personal grievances i have with him
he is poopgamers target

stupid american 05/21/2023 12:20 PM

on a scale from 0-10
I'm thinking 2

2-10

he's already on phase one

and that is getting any connection back

he's already on phase one

and that is getting any connection back

phase two is likely getting into the community itself

phase three is likely restoring power

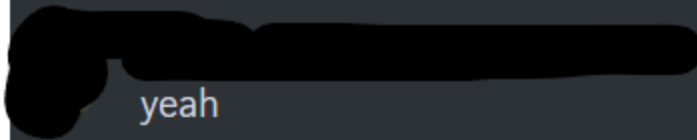

phase four is likely getting rid of us

phase five is establishing his power before and getting anco
under his wing (edited)

stupid american 05/21/2023 12:21 PM

the chances of him completing ANY of those
are low

yeah

but they grow with chance the more he achieves

stupid american the chances of him completing ANY of those

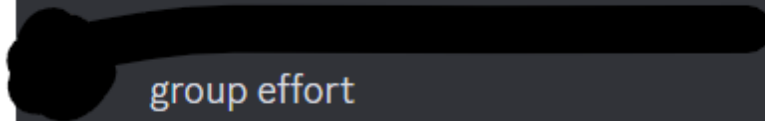

stupid american 05/21/2023 12:21 PM

everyone here is well-liked

i still got 3 pedophiles banned

Extraoton Today at 11:41 AM

no

anco and I are no longer friends

as he is under the influence of the chosen few

i explained before so ima just copy paste

I never left

Let me explain the story

basically people spread misinformation and accused me of being a pedo

reasons for that is because I was on bad terms with those people and they hated me for admin abuse

so they framed me saying I was 18+ and asked someone for nudes

aka Anco

They also said I wanted to come to his house and I said that as a joke

to prevent any risks we pretended I got removed

I had 24/7 vision what happened in tcr

and now im back

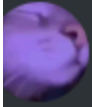

WITH A VENGEANCE

People who wanted me removed are hated by every dev

by zach especially

they cosntantly cause drama, they are racist, sexist, admin abuse

he just sent a gif of hank from breaking bad disturbed
and asked if we are serious
he isn't taking it serious

norwegian fag 05/21/2023 7:51 PM
oh for fucks sake

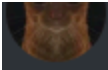

Coldwindblows 05/21/2023 7:51 PM
this is a fucking
insult
he just went offline
bro

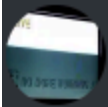

@stupid american it's a bust
we got nowhere

stupid american 05/21/2023 7:53 PM

i wouldn't go that far

Coldwindblows 05/21/2023 7:53 PM

i mean

stupid american 05/21/2023 7:53 PM

i think he'll do SOMETHING

something positive

Coldwindblows 05/21/2023 7:53 PM

i don't share ur hope

he's ignored my inquires before time and time again

citing me "bitching"

when this is the same faggot who won't tell people why he removed them

fuck him

stupid american 05/21/2023 7:55 PM

what are you gonna do then?

@stupid american what are you gonna do then?

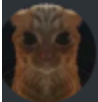

Coldwindblows 05/21/2023 7:55 PM

i don't fucking know

haydens worried

if he allowed me to drop the screenshots
we could destroy him right now and here
and we all know asking zen is the fucking
most worthless option

stupid american 05/21/2023 7:56 PM

there is the ultragambit of taking EVERYTHING public
i don't think we should

Coldwindblows 05/21/2023 7:56 PM

i think it's the only way to finally rid him from the
community once and for all
it's a chokehold

stupid american 05/21/2023 7:56 PM

do you think the community will CARE enough?

@stupid american do you think the community will CARE enough?

Coldwindblows 05/21/2023 7:56 PM

yes

i have my hope

stupid american 05/21/2023 7:57 PM

shouldn't we give pete more time tho?

Coldwindblows 05/21/2023 7:57 PM

i have zero fucking hope for pete

Coldwindblows 05/21/2023 7:57 PM

i have zero fucking hope for pete

he's useless

it's just us against the depraved

stupid american 05/21/2023 7:59 PM

 **Coldwindblows** 05/21/2023 8:03 PM
@everyone
I have received reports of a certain blacklisted member being reinstated into the community, and that is Poopgamer. Not only is he back, but he has been given Junior Developer.

What is he back on?
CarbonOwl.

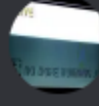

I do not sanction a pedophile, admin abuser, and depraved villain that took great effort to remove even after months of constant evidence of his depravity.

You don't believe me?
Very well.
Here is your proof

 wait
can we at least censor hayden's name?

 **Coldwindblows** 05/21/2023 8:04 PM
verywell

 **stupid american** 05/21/2023 8:04 PM

 **Coldwindblows** 05/21/2023 8:04 PM
what

a lotta people don't know what he did
also

Coldwindblows 05/21/2023 8:04 PM

I'll make a separate announcement of his crimes

stupid american 05/21/2023 8:05 PM

since that's gonna be a lot of images

put "he is a pedophile" **below** them (edited)

so people don't just get pinged and see a fuckton of images

they gotta see "he is a pedo" FIRST

k?

i know how to make that work

stupid american 05/21/2023 8:06 PM

remember: put yourself in the shoes of someone who has 0
idea who poopgamer is
and 0 idea that we exposed him for pedophilia

Coldwindblows 05/21/2023 8:06 PM

can't be in the main announcement due to discord physics

i'll just make another message reinstating his crimes

stupid american 05/21/2023 8:06 PM

okay

make sure you send both nearly simultaneously
perhaps in different channels?

Coldwindblows 05/21/2023 8:06 PM

Coldwindblows 05/23/2023 5:19 AM

Today at 2:38 AM

we let poop back in because beside from his attitude he was a dev that was willing to do the work and considering our shortage of staff zenn loved the idea of bringing him back under a different alias. it would have worked had poop stayed silent, but poop was still mentally deficient and gave it all away for himself.

bro would have kept a nonce

faggot 05/21/2023 7:35 PM

what

@faggot what

Coldwindblows 05/21/2023 7:35 PM

You have some explaining to do.

faggot 05/21/2023 7:35 PM

ok explain

to me wht this is

catboytrolling 05/21/2023 7:36 PM

we know that carbon is poop

Coldwindblows 05/21/2023 7:36 PM

Why the fuck.

Did you allow the nonce to return.

faggot 05/21/2023 7:36 PM

i didn't

catboytrolling 05/21/2023 7:36 PM

he told someone that he wants to get me, sev, and nekomilitant banned from the community, too

Coldwindblows 05/21/2023 7:37 PM

Shad informed us that Poopgamer is Carbon.
So, what the hell is the big idea.

faggot 05/21/2023 7:37 PM

I have nothing to do with his return, ask Zenn

@faggot I have nothing to do with his return, ask Zenn

Coldwindblows 05/21/2023 7:37 PM

You are utterly dodging our incursion.

catboytrolling 05/21/2023 7:37 PM

just because you did not actively invite him back doesn't mean you're not complicit in it

Coldwindblows 05/21/2023 7:37 PM

Not him.

faggot 05/21/2023 7:40 PM

What's the big plan you have for this 'incursion' you have against me? If anything it should be directed towards Zenn if you feel that way about poopgamer. You should have finished the job, but you didn't. Now your big plan is to attack solely me for it? When I tell you I have no say over Zenn's decision it's because I don't. I may be temp owner but that doesn't mean I own the community either, and don't say that I side with poopgamer either way.

catboytrolling 05/21/2023 7:40 PM

This is NOT intended to attack you

@faggot What's the big plan you have for this 'incursion' you have

Coldwindblows 05/21/2023 7:40 PM

No retard we want answers.

We figured you'd have some.

faggot 05/21/2023 7:41 PM

It seems like it, more like a cross-examination.

catboytrolling 05/21/2023 7:41 PM

faggot 05/21/2023 7:41 PM

So I request you add him here.

faggot 05/21/2023 7:41 PM

Let me assure you that Poopgamer won't lay hands on anyone in this community lest he goes through me.

catboytrolling 05/21/2023 7:42 PM

he should be COMPLETELY shunned for what he did

i flung him away after he cuffed him

Let me explain the story
basically people spread misinformation and accused me of being a pedo
reasons for that is because I was on bad terms with those people and they hated me for admin abuse
so they framed me saying I was 18+ and asked someone for nudes
aka Anco
They also said I wanted to come to his house and I said that as a joke
to prevent any risks we pretended I got removed
I had 24/7 vision what happened in tcr
and now im back
WITH A VENGEANCE
People who wanted me removed are hated by every dev
by zach especially
they cosntantly cause drama, they are racist, sexist, admin abuse
Never shut up
and we are sick of it
so once we gather evidence
they are gone
and those 3 are
